In remembrance of their many years as teachers in IFHS and the helpful guidance they have given the students, we of the senior class of 1947 dedicate our graduating annual to five of the faculty who have been responsible in many ways for the high scholastic record this school has maintained in the past and will continue to maintain for as long as these teachers remain as part of the teaching staff.

Miss Fannie Hodge has taught algebra, geometry, and trigonometry for twenty-three years.

Miss Gladys Buckley, Latin instructor and word derivation teacher, has been a member of the faculty for nineteen years.

Miss Mae Neuber has been teaching sophomore, junior, and senior history for twenty years.

Miss Ethel Rottman, English and literature teacher, has been with the Idaho Falls school system for sixteen years.

It is in their honor that the 1947 Spud Annual is dedicated.

FORECAST

by Jackie Jeffs

The West is a wonderful place to be,
 And Idaho's best in the West.
 The glorious scenery that all may see,
 Fills all of her people with zest.

And so, this annual will use as its theme,
 Scenes of our western lands,
 In hopes that the students, in future dreams,
 Will see that they hold in their hands,

The power to make a nation of right,
 Based upon knowledge and peace.
 That never again must the powers of might
 Make anyone's happiness cease..

Students today are the leaders tomorrow,
 The world, what they choose to mold it,
 Inspired by wonderful scenes like these,
 They'll be ready and willing to hold it

Dear Keith,
 Lots of luck in
 the future. I hope
 we'll meet again
 next year.

W. W. CHRISTENSEN

WHICH WAY ARE YOU FACING?

For you graduates in the Class of 1947 this question is important because you are stepping from these sheltered halls into a world in rapid motion. The war—and the atomic bomb—sidetracked an out-moded era and rang full speed ahead to a new and uncharted era.

Whether you swing safely aboard or take a bad spill will depend on whether you are facing forward or backward. If you determine right now that this atomic age calls for greater knowledge and skill than you now possess, you are facing the right way. If, on the other hand, you decide now that you are fully educated, you are probably facing the wrong way. You will find that the leaders in this new era need more than a high school education.

We are going to miss you as you go out to pioneer your tomorrows. We are going to watch the manner in which you meet both your successes and failures. The "manner" will tell us what you have acquired in the way of character.

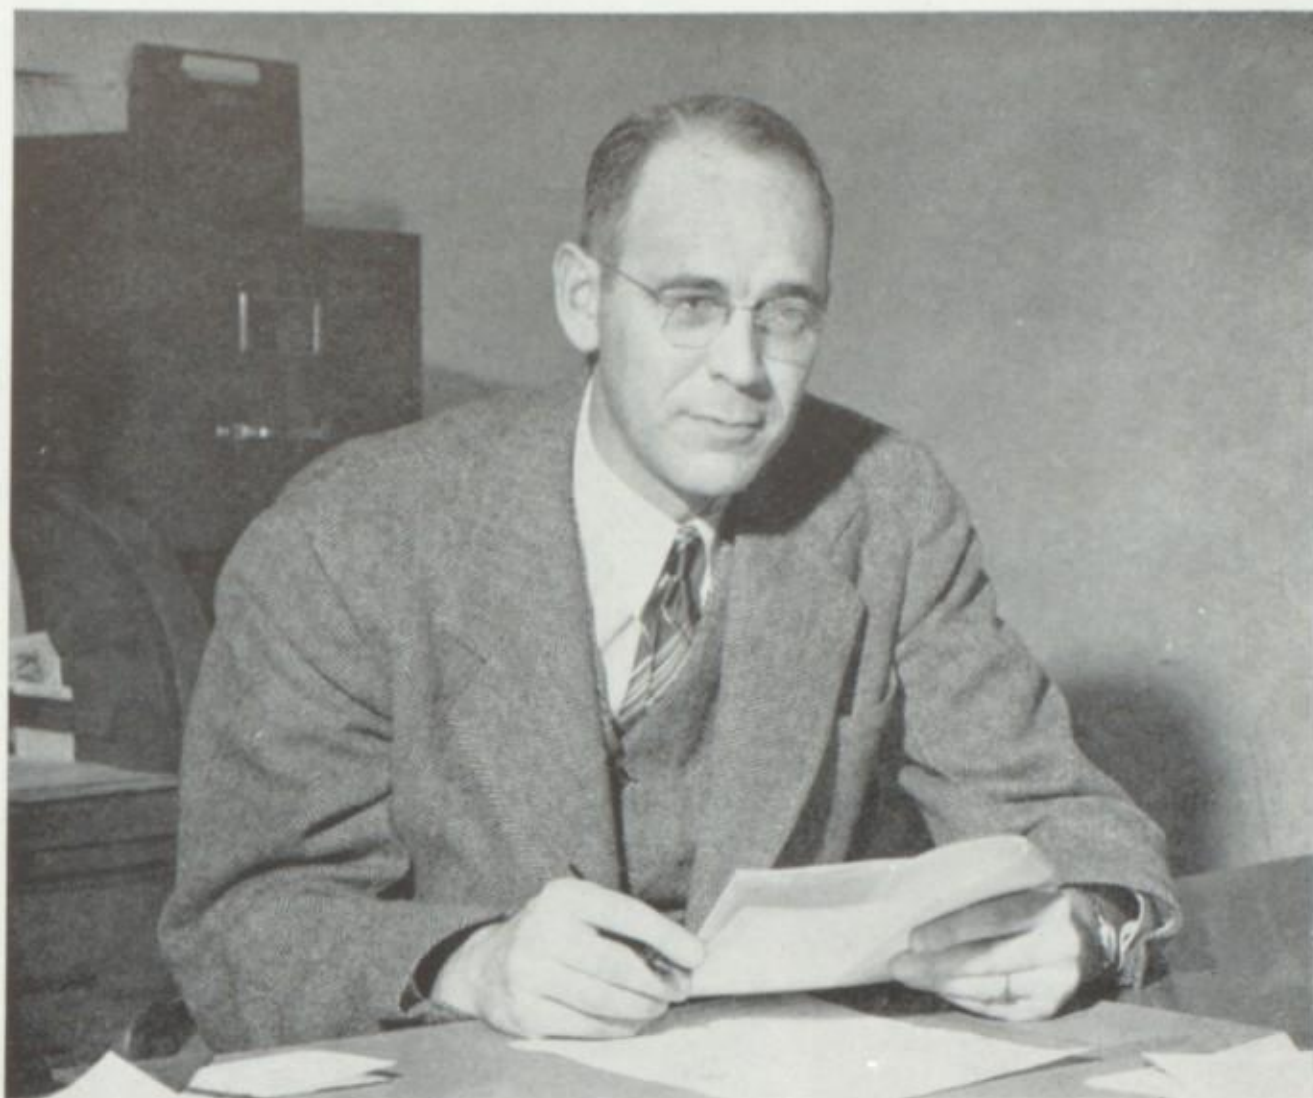

On occasions we would like to have you look backward just for a moment. On the anniversary of this day—graduation day—pause for a moment, roll back the years, and re-live the memories of happy days in old Idaho Falls high school.

Sincerely,

W. W. Christensen,
Superintendent of Schools

MRS. ST. CLAIR

CLAIR GALE

MESSAGE

LOUISE KERR

Some one has said that you can only lead men by serving them. The teachers to whom you have dedicated this yearbook are leaders in their respective fields because of the many years of splendid service they have given to Idaho Falls high school students. Your teachers appreciate you, and I am sure they are glad you appreciate them.

It has been my pleasant privilege to serve as principal for members of the class of 1947 for six years. To watch them develop from seventh graders on through grade twelve into a class with power, character, and varied abilities has been one of my greatest educational experiences. You teachers and I know you have wisdom to build into capable citizens by doing more than your share to show your worth to the world.

I shall miss you. Best of luck.

Clair Gale

GRADUATES

SENIOR CLASS HISTORY

The senior class of '47 started their career as members of IFHS under the name of Romper Rippers. Bob Gray, president, Dick Bendixsen, vice president, and Jane Gustin, secretary were the capable leaders.

As sophomores the class presented a successful assembly and an outstanding Sophomore Hop. "Sweet Dreams Sweetheart" was the theme of that affair.

Jane Gustin was the sophomore attendant for Football Queen and Phyllis Earle was class representative for Harvest Queen. Bonnie Williams was the class cheer leader.

In 1945-46, the junior class began a successful year by electing Vance Holland president, Richard Stosich vice president, and Betty Briggs secretary.

The Junior Prom with the theme, "Desert Song," was well attended in the spring.

December 11 and 12 marked the two big nights of the Junior play, "Junior Miss," an all out success, being well presented and overflowing attended on both nights.

Jane Gustin was again the candidate for Football Queen and Marvis Jolley was an attendant to the Harvest Queen. Bonnie Williams was elected cheer leader.

The student body elected Vance Holland student body president, Jane Gustin secretary, and Richard Jordan vice president. Lois Reynwald was elected cheer queen and Karl Woolf, cheer king.

At last, seniors! What a feeling of superiority and big brotherliness. The class elected Kenneth Keefer president, Rex Hillman vice president, Betty Briggs, secretary, and Evada Orme, historian.

Jane Gustin was crowned Football Queen on the annual high school night. Lola Hart was elected Harvest Queen at the Ag Bawl.

The Senior Ball, "Wintertime Dreams," which was held on the 23 of December, was a huge success. The senior play, "Our Town," was attended by large crowds on both nights of performances—April 28 and 29.

With sad but hopeful hearts, the senior class of '47 leaves IFHS. They are proud of their history and should be an inspiration to underclassmen.

Though they didn't have a very successful season, the football boys playing for IFHS this year didn't lose their courage or hope. Through the excellent coaching of Stan Pavkov and Lloyd Amick, they pulled through the season, with no disgrace and with the knowledge of a good job well done.

Backing the athletes of IFHS this year were the four peppy cheer leaders: Lois Reynwald as Cheer Queen; Karl Wolff, Cheer King; Corrinne Hawkley, a trim little junior; Bruce Flora, sophomore prepster.

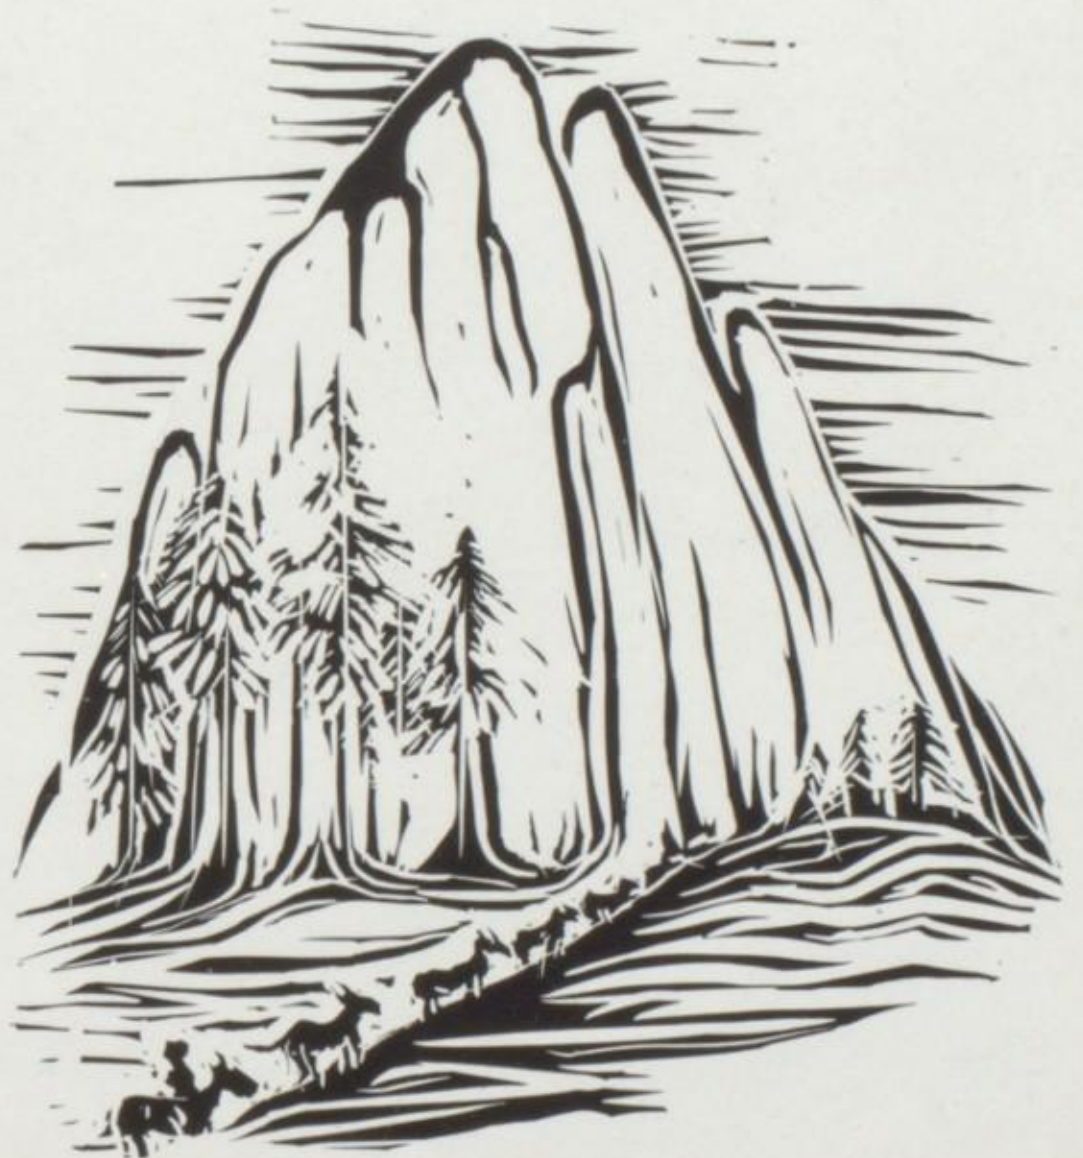

Exceedingly important to the team and the whole student body throughout the year was the Pep band. These students, under the direction of President Gary Bybee, went on almost all the trips with the team, giving the necessary backing. Serving as secretary was JoAnne Bybee, while John Eastburg acted as business manager.

ORGANIZATIONS

Under the very able leadership of A. L. Gifford, the band had a very successful year. Playing at the Blackfoot fair and at numerous political rallies highlighted the band's home activities. Carlton Stewart, band leader from Mason City, Iowa, directed the band in the annual winter concert preceding the music clinic at Pocatello where many music students attended. The band made a trip to Salt Lake City to attend the centennial but stayed home for the state music contest which was held here.

ORCHESTRA

This talented young group of musicians have worked hard to keep up the fine reputation of the orchestra. Despite the handicap of having to practice mostly at noon, the orchestra was a first class group, as was shown at the state musical contest.

BAND OFFICERS

Demonstrating their ability in student leadership, band officers have capably led the band in their activities for the past year. Officers from left to right are: Richard Stosich, president; Donna West, secretary; and Russel Baum, business manager.

STAGE CREW

Boys on the stage crew have capably handled their job, helping on all school plays and assemblies. All stage settings are planned and erected by them. Much of the success of plays and assemblies depends upon their work. The boys are from left to right: Greg Smith, Raynold Eastburg, Tom Mitchell and Jack Hirai.

A black and white photograph of a large group of students, likely a yearbook committee or a school organization, posing in three rows on a set of steps. The students are dressed in formal attire typical of the mid-20th century. The front row consists of 12 girls in dark dresses with white collars. The middle row has 10 students, and the back row has 8 students.
